AMENDMENT AFTER FINAL

Sir:

In response to the Office Action dated January 27, 2000, please amend the
 above-referenced application as follows:

Please amend the claims as follows:

- Sub. c2
1. (Twice Amended) A document containing non-identifying and identifying
 information, said document comprising:
 first printed matter rendered at a first location on said document and at a first
 scale enabling said first printed matter to be resolved by a viewing person without
 magnification;
 second printed matter representing said first printed matter rendered at a second
 location on said document and at a second scale, said second scale being significantly
 smaller than said first scale, said second location spaced from said first location and said
second location containing a graphical element whereby said first and second printed
 matter is printed in at least two separate and distinct locations on said document, and in a
second color, said second color determined to minimize contrast between said second
color and said second location;
